Re: *United States v. Nicholas Bailey*, 16 Cr. 212 (LAK)

Dear Judge Kaplan:

The Government writes at the request of the Bureau of Prisons ("BOP") with respect to the proposed order submitted by the Government—after it shared a draft with the BOP—and entered by the Court on July 2, 2022, regarding a mental health evaluation of the defendant, Nicholas Bailey. The BOP requests that the Court so-order this letter to clarify that it is ordering MDC Brooklyn's staff psychologist to see Bailey and to prepare a normal clinical encounter note that includes his current mental health status/diagnosis, current medication, if any, and describes his compliance with any medication and other behavioral interventions. Such a report would update the most recently available mental health information from his March 2022 intake at MDC Brooklyn.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
